Stoughton Utilities RoundUp Program Donates \$550 to Stoughton Wellness Coalition

Jane McGuire of the Stoughton Wellness Coalition recently accepted a check for \$550 from Kim Jennings, Utilities Finance & Administrative Manager. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to and benefit local community organizations.

The Stoughton Wellness Coalition was formed in 2006, through collaborative efforts of Stoughton Hospital, the Stoughton School District and the City of Stoughton. The coalition promotes a collaborative approach to personal and community wellness through health promotion, educational programming and service to the Stoughton Area Community.

Customers wishing to participate in the RoundUP program may sign up online at roundup.stoughtonutilities.com or by calling Stoughton Utilities customer service at (608) 873-3379.
