SEASONAL ENERGY ASSISTANCE AVAILABLE FOR STOUGHTON UTILITIES CUSTOMERS

Stoughton Utilities reminds customers in need that resources are available to help them and their families stay safe during the winter.

Stoughton Utilities participates in the Wisconsin Home Energy Assistance Program (WHEAP), which is funded through the federal Low-Income Home Energy Assistance Program (LIHEAP) and Public Benefits Energy Assistant Program. WHEAP assists individuals and families that need help paying residential heat and electric bills during the winter months. Applications will be accepted **October 1st through May 15th** each year. Additionally, the Wisconsin Weatherization Assistance Program (WisWAP) uses energy conservation techniques to reduce the cost of home energy and correct health and safety hazards.

For more information or to begin the application process, call 1-866-432-8947 (toll free), or visit <http://homeenergyplus.wi.gov>.
