### **Stoughton Utilities RoundUp Program Donates \$1,000 to Stoughton Free Health Clinic**

Sharon Mason-Boersma and Sharon Folbrecht of Stoughton's Free Health Clinic recently accepted a check for \$1,000 from Brandi Yungen of Stoughton Utilities. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

The mission of Stoughton's Free Health Clinic is to provide free non-emergency care to adults in the Stoughton area who cannot afford the cost of health care. The Free Health Clinic will use the RoundUP funds for equipment, medicine, and other medical supplies to be provided to clients free of charge.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at [stoughtonutilities.com/roundup](http://stoughtonutilities.com/roundup), or by calling Stoughton Utilities customer service at (608) 873-3379.
